SUBJECT: Participation in Westercon 34 Program

Here I am actually writing you to confirm our booking your band to play at our convention.

I could not get any money in advance, but you will receive the \$250.00 we agreed upon at the convention.

You will be the backup band and will be playing Saturday night/sunday morning from Midnight to around three am.

The first band will be ELEMENTS out of San Francisco.

In addition to the \$250.00, Westercon will also provide each member of the band with a daily membership.

Thank You:

*Michael Morman*
